# THE SPIRE OF 1954

Presented By The  
Senior Class Of  
Illiana Christian High  
Lansing, Illinois

Illiana Christian High! True to thee we'll be,  
Now and through the coming years, Give our loyalty,  
Memories of good fellowship, Ever will be dear,  
Illiana Christian High, To thee we cheer.

**OUR ALM**

Illiana Christian High! Loud we sing thy name,  
With God's precepts as our rule, Truth shall be our aim,  
And our colors green and white, As our standards raise,  
Illiana Christian High, We sing thy praise.

## DEDICATION

Mr. DeYoung has been our adviser for our four years in Illiana. He has competently guided us in our curriculum and molded our character.

As a classroom teacher, he has taught the subject matter in the light of God's word. In this he has fulfilled the basic tenet of our Christian education.

Above all, he has been our friend, a friend who has helped us with personal difficulties and made us the better for our experience. For all this we thank him.

# STORY OF THE YEAR

The school year, with its Junior rings and Senior diplomas, its teas and toboggans, is made up of events that are linked together in our memories like the sections of a bracelet. Each event has left its unique impression on us and all together they tell the story of the year at Illiana.

Besides classes our school contains clubs and organizations to add a bit of spice to our school life. Several of these join in planning and producing our chapel services and assemblies. Our band and choir add a touch of music to the school day. The student council discusses and tries to find solutions to the problems of the students, while our two student publications reflect the "weel and the woe" of student life.

## ATTENTION

March 4, beginning at 8:00 P. M., the Illiana students will find themselves having a gala time in the halls of their own Bastille. Some of the entertainment will be the same as previous. However, many new ideas have slipped in here and there. Shrieks and cries of horror will be heard coming from the downstairs dungeon as usual with each Echo Party.

Peals of laughter will resound through the first floor as an appreciated audience view two hilarious films.

## Juniors pick their Rings

A ring display was held in the school hours for the class to vote on. Style 1 was the popular vote. The Juniors will get their rings in eight weeks.

## Games Nite

Illiana's Games Night will be held March 17 beginning at 7:30 p. m. at the Thornton Fractional gym.

The three games are as follows: Soph.-Jr. boys vs. Senior boys, Soph.-Jr. girls vs. Senior girls, Varsity vs. Alumni.

Mr. Zafros will be there with the band, so let's all come out and make this a huge success.

## Faculty Interviews

### Faculty

The staff has decided in the remaining issues to make you familiar with some of the facts about the faculty you possibly didn't know. We will start with Mr. Schipper, business teacher at Illiana.

Mr. Schipper usually starts his class by saying, "Now, will you people be quiet!"

He acquired the first couple years of his training in So. Holland, but in 1946 he graduated from the Roseland Christian Grade School. From there he went to

business school for 2 years. Somewhere along the way he received his high school diploma. Since then he has gotten a B.B.A. behind his name. He also has a master's degree in Business Education.

His favorite teacher was an old fellow who taught economics and told stories about Alice in Wonderland.

He says his hobbies are movie photography and three children. Since the children arrived he hasn't had time for the photography.

His favorite books are the ones he hasn't read but he highly

Outside talent is always enjoyed in chapel.

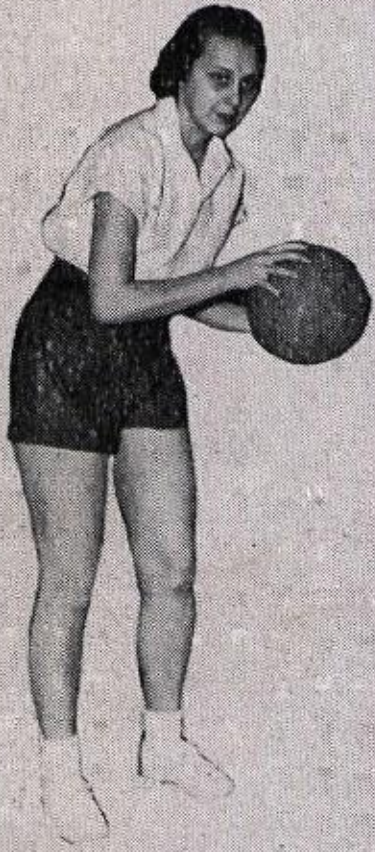

Sports, although they do not play a prominent part in our school life, are enjoyed by our student body. Although lack of facilities prevent us from having a scheduled sports program, we do have teams that compete with other schools. Through sports we are able to learn the value of good sportsmanship and teamwork.

# Administration

Each of the administrators of our school, from school board to janitor, helps to make it run efficiently. Although the teachers play a prominent part in the activities of the day, the students realize that the school board and the principal put in a great deal of effort in planning the curriculum and supervising the school.

Dear Graduates:

When you came to Illiana as freshmen four years ago, you entered upon the second phase of your formal education. As you looked ahead, four years seemed a long time and graduation far away. Now, almost suddenly, it is upon you; your four years of high school are almost over. Soon the excitement of graduation, best wishes, and congratulations too, will be over and you will be facing the problems and responsibilities of adult living.

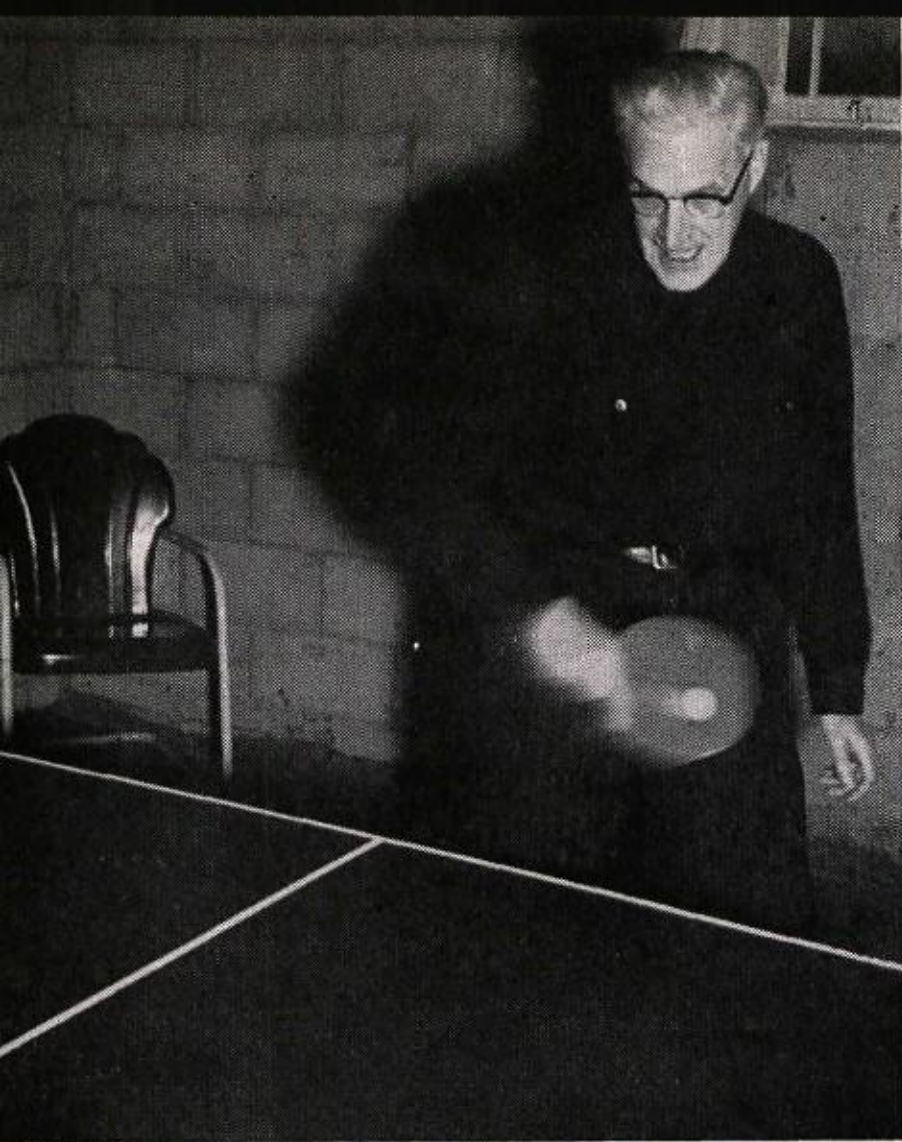

During the four years you have been at Illiana we your teachers have tried to direct the growing up process, your thinking, your habits, your ideals, into patterns of constructive Christian living. It was done imperfectly, of course, for we who ourselves are imperfect in understanding, imperfect in knowledge, imperfect in example can never even approximate perfection in the training of others. We can only pray that that which was in keeping with the divine will may be effective in your lives and that divine grace may cover our sins and mistakes and remove their ill effects.

We pray too that by the grace of God you may appropriate unto yourselves and make effective in your lives the guiding principles of Christian thinking that have permeated your training at Illiana.

May your lives in whatever vocation you may enter bear testimony to a dynamic Christian faith within.

Sincerely,  
C. Van Beek

# STUDENTS .

From sober (?) seniors to frightened (?) freshies the students of Illiana represent a wide variety. Our school is comprised of youth of several denominations. These come from a radius of about ten miles. They range in temperament from the sedate to the boisterous, but all put together they make the Illiana student body.
